St Paul's Creative Centre

Venue Hire 2017

ABOUT ST PAUL'S

St Paul's Creative Centre is a unique space for those working in **creative arts and industry**, located in the heart of the Adelaide CBD.

Built in 1864, this former church is now home to over 60 tenants and co-workers who are doing amazing things in the fields of music industry development, virtual reality, support for visual arts, 3D printing software, marketing, clustering, IoT, 360 film, videography and more.

Not only is it an inspiring place to work, but its distinct **meeting spaces, songwriting rooms** and eye-catching **Great Hall** are also available for public hire.

If your event or meeting is a **natural fit for a creative, collaborative environment**, St Paul's unconventional atmosphere and innovative community will make you feel right at home.

St Paul's Creative Centre is an initiative of the State Government through Arts South Australia and is managed by the Music Development Office.

Please note, the building's open plan nature and access through shared spaces may require additional terms and conditions for hire activities, depending on the event and expected numbers. Access to Level 1 is by stairs only. Full conditions of hire to be set out in the official Venue Hire Agreement.

SONG SPACES AVAILABLE TO HIRE:

LEVEL 1 (stair access only)

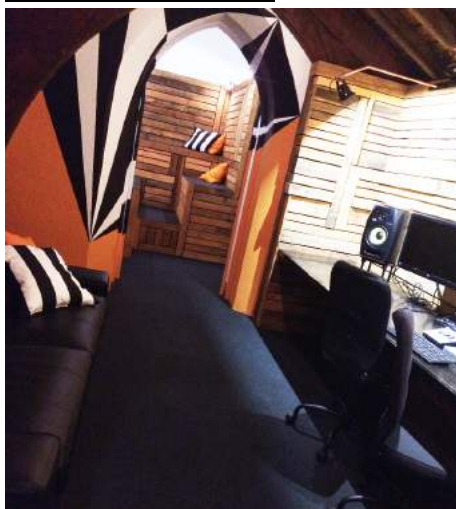

“SongSpaces” at St Paul’s are two purpose-built rooms for **collaborative songwriting**, **demo-ing ideas**, and/or working on **new production techniques** and sounds. Neither ‘rehearsal rooms’ nor fully kitted studios, these rooms are instead designed for artists who are looking for a neutral space to get creative and work on new material in an inspiring setting.

Hire fees include the optional use of **on site equipment** including Rode mics, recording software, audio interface and more – or BYO gear. See website for specs on available equipment. Each room is **noise attenuated**, has dimmable lighting, and is fitted with comfortable seating plus desktop editing space.

Cost: \$50 + gst per 4 x hour session*

*Only available within business hours 9am-5pm. After hours access and discount hire available for St Paul’s Members.

THE SAUNA

Long & narrow, 2 connected sections, best suited to projects with lots of computer work, or as a brainstorming space in the ‘sauna’ seating.

Capacity: Seating for 5 – 10 (spread across both sections)

Facilities: Large editing suite, quirky breakout room, private shower & toilet access, 3 seater couch, 2 x desk chairs, bench seating in ‘sauna’

THE CABIN

Rectangular space, best suited to larger groups, multi-instrumentation, less computer work.

Capacity: Seating for 6

Facilities: Larger common area, smaller editing suite, 2 seater couch, 2 x lounge chairs, 2 x desk chairs, flexible furniture arrangement

EXTRA FACILITIES AVAILABLE:

Items listed below are available for hire separately, via arrangement with the equipments' owner. St Paul's Community Liaison can facilitate contact with Musitec, and is directly responsible for items owned by Arts South Australia.
